

hospitals, at home, and in nursing homes. In addition, our dedicated group continuously supports the Institute of Logopedics for Special children.

I am happy to offer my congratulations to WAVES on their 60th anniversary and my strong support for the important work they do recognizing and promoting the valuable service of women veterans.

# HOUSE RESOLUTION 393

SPEECH OF

**HON. HILDA L. SOLIS**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 9, 2002*

Ms. SOLIS. Mr. Speaker, I rise today in support of H. Res. 393, the resolution offered by Representative JOSEPH CROWLEY.

We have all heard during the past year and a half about the egregious acts of anti-Semitic behavior that have spread through Europe—vandalism of synagogues; desecration of graveyards; personal attacks of people of Jewish faith; boycott of products made in Israel. These actions are cowardly and have resulted in the worst wave of anti-Semitic behavior since 1945.

Today, I rise to support this resolution that calls upon the governments of Europe to protect their residents—Jewish and non-Jewish alike. We must fight for understanding and cooperation between people of all religions, not just in the turbulent Middle East but wherever prejudice and discrimination occur.

Our nation prides itself on maintaining an atmosphere where people can practice whatever religion they choose. Religious tolerance is the root of our peace and prosperity; we must strive to ensure that it is practiced throughout the world so that others may benefit from this spirit of cooperation.

No one deserves to be discriminated against, harmed or even killed simply because of their personal religious beliefs. I urge my colleagues to support this resolution to ensure that this behavior ceases immediately.

TRIBUTE TO ANTHONY A.  
MINISSALE

**HON. TODD RUSSELL PLATTS**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, July 12, 2002*

Mr. PLATTS. Mr. Speaker, it is with great admiration and respect that I offer congratulations to my constituent, Anthony A. Minissale, D.O. of York, Pennsylvania. On July 20, Dr. Minissale will be inducted as the President of the American Osteopathic Association (AOA) at its annual House of Delegates meeting in Chicago, Illinois. Dr. Minissale will serve from July 2002 through July 2003.

Dr. Minissale is a board-certified osteopathic surgeon. He will lead 47,000 osteopathic physicians (D.O.s) and the AOA, an association organized to advance the philosophy and practice of osteopathic medicine by promoting excellence in education, research and the delivery of quality and cost-effective healthcare in a distinct, unified profession. In addition to protecting the right and privilege to practice

osteopathic medicine, Dr. Minissale will work with the AOA to enhance professional unity, ensure quality education and training and preserve osteopathic principles.

Dr. Minissale, vice president of medical affairs and director of medical education at Memorial Hospital in York, earned his Doctor of Medicine degree from the Philadelphia College of Osteopathic Medicine. He completed a rotating internship at Green Cross General Hospital in Cuyahoga Falls, Ohio, and a residency in general surgery at Parkview Hospital in Philadelphia.

A member of the AOA for 45 years, he has served as a member of its Board of Trustees for nine years and as a delegate to its legislative body, the House of Delegates, for over 20 years. Additionally, he has chaired all departments of the AOA and acts as the AOA's internship inspector, a post he has held since 1973.

Dr. Minissale, a fellow of the American College of Osteopathic Surgeons, also serves the Pennsylvania Osteopathic Medical Association (POMA). A member of POMA since 1961, he has worked in such capacities as vice chairman, secretary/treasurer, and board member. A founding member and chairman of the Pennsylvania Osteopathic Surgical Society, Dr. Minissale is also a member of the York Osteopathic Medical Society.

Above and beyond his osteopathic duties, Dr. Minissale has worked with civic organizations, such as Leadership York, the Coalition for a Healthy York, and the Gladwyne Civic Association. Dr. Minissale resides in York with his wife, Adele, and their two children, Anthony and Angela.

Mr. Speaker, osteopathic medicine plays an important role in the health of my fellow Pennsylvanians. We are proud to be the home of two osteopathic medical schools—the Philadelphia College of Osteopathic Medicine and the Lake Erie College of Osteopathic Medicine. Over 4,600 osteopathic physicians serve residents of the Keystone State.

I am pleased to congratulate Anthony A. Minissale, D.O. on achieving the high honor of being named President of the American Osteopathic Association. I look forward to working with him to advance the health of my fellow Pennsylvanians and all Americans.

TRIBUTE TO THE GREAT DOMINICAN PARADE AND FESTIVAL OF THE BRONX

**HON. JOSÉ E. SERRANO**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Friday, July 12, 2002*

Mr. SERRANO. Mr. Speaker, it is with great pride that I rise today to pay tribute to the thirteenth annual Great Dominican Parade and Festival of the Bronx which will take place this Sunday, July 14, 2002. This famed event is eagerly anticipated by the Dominican and Bronx communities each year. It is a wonderful celebration of the spirit and richness of Dominican culture.

As the second largest Latino community in New York City, Dominicans have made invaluable contributions to the city, as well as to the entire nation. Although the highest concentration of Dominican people live in Washington Heights, a significant number have enriched

the Bronx with their unique culture and spirit. The Dominican culture is one characterized by, among other things, diverse multiculturalism, strong family values, distinctive art, amazing music and unique cuisine. We are grateful that so many have chosen to make the Bronx home.

Mr. Speaker, the roots of Dominican New Yorkers lie in a country with a fascinating history and arresting beauty. The Dominican Republic is the home of numerous peoples from various heritages. As a result, the culture is charged with strong Taino, African, and European influences. One visit to the Dominican Republic will put to rest any questions one might have as to why Dominicans in America retain such a strong sense of pride in their homeland and never stop missing it.

The achievements and contributions made by Dominican-Americans and Dominican residents have spanned the realms of politics, science, the Armed Forces, literature, public service, and the arts, and undoubtedly make them an integral part of American society. The Great Dominican Parade and Festival of the Bronx is a great opportunity to celebrate the Dominican people's culture, history, and bright future.

I ask my colleagues to please join me in honoring the Great Dominican Parade and Festival of the Bronx.

HAPPY BELATED BIRTHDAY TO  
EILEEN COUNIHAN

**HON. NYDIA M. VELÁZQUEZ**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Friday, July 12, 2002*

Ms. VELÁZQUEZ. Mr. Speaker, I rise to wish a very happy belated birthday to Eileen Counihan, born June 21, 1952, in New York City. Eileen celebrated her 50th birthday with family and friends in Yorkville and Margaretville in Upstate New York.

Eileen is known for her loyalty to friends and her commitment to her family, a quick smile and a warm sense of humor. She is a dedicated, active member of her community, volunteering to distribute food to the homeless on Friday evenings and even Thanksgiving Day. On Earth Day this year she led a project that planted 100 trees.

For these reasons and more I would like to extend the warmest best wishes to her and her family. Happy Belated Birthday, Eileen!

ADDRESSING THE GLOBAL AIDS  
PANDEMIC

**HON. DANNY K. DAVIS**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Friday, July 12, 2002*

Mr. DAVIS of Illinois. Mr. Speaker, I rise today in urge of dramatic funding increases to stop the spread of an epidemic that is taking the lives of millions of people throughout the world.

Today there are more than 40 million people in the world living with HIV/AIDS. Last year 5 million people contracted the virus, and 3 million people died of AIDS related causes. This current health crisis was once again brought
